

Life

The time has come
to take a stand
*...the wise heart will know
the proper time and
procedure.*

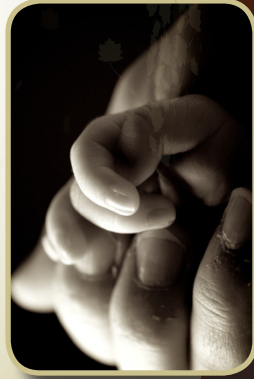

Ecclesiastes 8:5

Sanctity of Human Life

Our Heavenly Father knows each baby as it is being formed in its mother's womb; He also sanctifies them. To sanctify means to set apart, to make holy. Life is generational; our decisions don't affect just us.

God calls life sacred, and each child has a vital purpose in His master plan. When an unplanned pregnancy arises, it is hard for a woman and her partner to see beyond how this affects their immediate future. They feel alone and helpless. Many clients see abortion as their only option.

The **Pregnancy Resource Center** of the New River Valley and others like it all across the country are dedicated to compassionately presenting all their options. Client Advocates & Medical Staff offer practical services that meet their clients physical, emotional, and spiritual needs – clients begin to see that there are other options and they are no longer alone.

What we provide:

- Pregnancy Tests
- Limited Obstetrical ultrasounds
- STD/STI testing
- Medical, adoption, and other referrals
- Maternity and baby needs
- Parenting and life skills classes
- Bible studies
- Abortion recovery counseling
- Abstinence education

Ecclesiastes 8:5 says “Whoever obeys God’s command will come to no harm, and the wise heart will know the proper time and procedure.” His *command* is to take a stand. The *time* is now, to take a stand for LIFE. Partnering with the Pregnancy Resource Center in your community is the *procedure*!

Will you accept the challenge?
