

Pregnancy Resource Center  
of the New River Valley

# Your Change Can Change Lives!

2012  
Baby  
Bottle  
Boomerang

**Baby bottles filled with coins** to benefit the work of the Pregnancy Resource Center of the New River Valley – that's the Baby Bottle Boomerang. It's a simple idea with impressive results. Last year the Boomerang brought in \$28,000 to support families and babies in our community!

Won't you join this year's Boomerang? Three great reasons to do it:

- 1 It gets the whole church involved in ministry together.**  
The TWO week Baby Bottle Boomerang provides a service project for the whole family. Men and women, boys and girls, senior citizens and preschoolers – everyone in your church can participate. The Boomerang gets your congregation engaged in a practical, compassionate response to unplanned pregnancy and gives you a good chance to pray together for the Pregnancy Resource Center and the families and babies we serve.
- 2 It won't negatively impact giving to your church.**  
We understand that your church has regular financial obligations and commitments to the missionaries you support. The Baby Bottle boomerang doesn't ask people to choose between giving their tithe check to your church or to the Center. Its just asks for their pocket change, giving them a chance to make a real difference in people's lives without diverting funds from the good work you're doing.
- 3 It's easy to do.**  
We provide everything you need for the Boomerang so that it's simple for your church to make it a success! You just tell us how many bottles you think you can give out and what day you'd like to start. The Boomerang lasts for two weeks, so it won't run into other events you may have planned. We give you the bottles plus access to a wide range of promotional materials – bulletin inserts, posters, and a step-by-step guide – all ready for you to use if you want to use them. We can even provide a speaker for your Boomerang kick-off if you'd like!

**Get started today!** Call 552-5556, visit [www.PRCsupport.com](http://www.PRCsupport.com), or write to [kday@prcnewrivervalley.com](mailto:kday@prcnewrivervalley.com) to start your Boomerang.
