

If you do use this paper fundraising form, you don't have to collect any money -- we collect it for you! Turn in your completed fundraising form(s) on the day of the Walk and we will handle the billing for all those sponsors marked "Bill Later." If a sponsor does want to give you money, please mark "Cash" or "Check" for method and turn in the money with your form at the Walk. Checks should be made payable to "Pregnancy Resource Center." **Please do not duplicate donations recorded online.**
